Camping Made Easy

Clipper

Coachmen
Leader to the Great Outdoors.

Clipper

Setting the bar for Features, Function, Quality and Amenities is the Coachmen Clipper Camping Trailers. With sizes and models to fit the needs of all Camping Trailer enthusiasts, the Coachmen Clipper is the clear choice for Today's discriminating Camper.

Features You Can't Live Without

Sliding Storage Trunk (SST)

Patent No. 7,206,538

New E-Z One-Hand Swing Level Galley (Classics and V1)

Optional AM/FM/CD/DVD/MP3 Player with Int./Ext. Speakers (Std. on Legends, V-Trec and Hardside)

Exterior Utility Shelf

◀ One-Piece Entry Door

The Clipper's one piece entry door features an extra large privacy panel that allows for finite adjustment for air and sunlight. (N/A 806LS).

E-Z Swing Stepper Door

Optional Dometic® 3-Way Refrigerator

Dual Drive Dual Purpose Winch by Canimex

Optional Modular Cassette Potti with Electric Flush

Scissor Style Stabilizer Jack

Retractable Clothes Bar (Classics, V-Trec and Hardside)

The Clipper Difference.

Construction & Features Competitors Can't Match

Lined drapes
for improved
privacy

Standard heated mattress
(Opt. on 106 & 106ST)
(N/A on LS Series)

"Glide-N-Lock" bed system is the only cable-supported bed system in the industry. Simply pull out the beds until they lock into place. No more awkward poles to contend with!

VRX-14
Supreme Tent with storm
cuff and tinted windows
(No Stormcuff on LS Series)

Automotive undercoat paint is applied to all floors and Polyflex woven moisture barrier laminated to all Clipper bunks vs. exposed wood used on competitive product. Another exclusive feature setting Clipper apart from the everyday Camping trailer.

Goshen Stamping double-wide lifter post with limited lifetime warranty (N/A 806 LS)

**Largest heating capacity
of any folding camper.**

- Optional 20M BTU Suburban® Furnace with forced air, electronic ignition and thermostat control.

Portable in/out
dINETTE table

**Wide Trac
Suspension**

**Better safety and stability
on the road.**

- Widest stance of any folding camper
- Improves towing safety and stability
- Stronger axle beams than most competitors
- Steel frame with powdercoat protection

Clipper Wide Trac
Competitors

Dura Tuff Roof

A. One Piece Seamless Skin

B. Dura Tuff Wood Protective Layer

No one else includes the extra wood layer between the top skin and internal foam that provides stiffness and reduces the probability of damage due to hail, road debris, etc.

C. Foam Roof Structure

D. Steel Reinforced Wood Frame

The roof is framed with steel supports to accept A/C on all models without extra reinforcement.

- Roof vent is placed off to the side so the A/C can be center-mounted without having to remove the vent. This design allows you to have both the vent and A/C.

Fantastic Fan™ power roof vent is standard on all models (Except LS Models)

Low profile tongue jack

INDUSTRY BEST
Ultralube axle bearing. Easier maintenance for improved safety

Aluminum wheels (Standard on Classic, V-Trec and Hardside)

Roof Side Z-Rail Channels water away.

1. Roof's Outside Skin
2. Body's Outside Skin
3. Water tight Seal
4. Z-Rail channels water away from wood

- Z-Rails on roof perimeter and sidewalls keep wood above water level collection points.
- Others use U channel where wood and water can come in contact at the bottom of the channel.
- Channels are kept open to allow water to run out like a gutter.
- Others attempt to seal channels to keep water out; when the seal is compromised, water will collect and cannot escape.

1-1/4" Laminated Insulated Bunkend

(N/A 806 LS)

- Double the industry standard thickness
- Solid wood, steel reinforced frame filled with 1" thick high density foam and laminated with wood panel on top and bottom
- Yields a more stable bedend vs. chipboard or spliced plywood used by other brands
- Insulation improves comfort and warmth

Clipper Standard

Gold Outside Air

Competition

Gold Outside Air

Clipper LS

Limited Warranty

806 LS

107 LS

- Lift System - Lifetime
- Vinyl Tent - 5 years
- Roll Out System - 5 years
- Frame - 5 years
- Roof Assembly - 5 years
- AL-KO® Ultralube Spring Axle - 1 year
- Refrigerator - 3 years
- Plumbing System - 10/25 years
- Electronic Converter- 2 years
- Roof Exterior - 2 years

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including changes in prices, colors, materials, equipment and specifications, as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.

Coachmen RV 2014 Litho USA

Free Roadside Assistance

Coachmen provides one year of free Travel Easy™ emergency roadside assistance for those who buy a new Coachmen RV. Administered by Coach-Net®, this service gives Coachmen owners 24/7 access to operational, technical and emergency road services, including towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical advice. So no matter where you go, we're ready to help!

Big Benefits For New Owners

Owners club discounts and more — A free one-year membership in the Coachmen Owners Association comes with the purchase of any Coachmen product. This add-on value not only provides a host of travel services and campground discounts, but also a 24/7 online service that locates needed services while offering member savings at more than 180,000 merchants across the country. And, of course, the COA is an excellent way to share experiences with other Coachmen owners through rallies and caravans.

Forest River, Inc. encourages our customers to purchase their Forest River products whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
